

SCOTCH CLUB

- AT -
WINK & NOD

Scotch Club at Wink & Nod is a monthly tasting affair for Scotch enthusiasts, equal parts instructional and fun. Members-only events feature tasting flights from top shelf selections, hand-picked by brand ambassadors who sample a vast selection of bottles, teaching about their history and flavor profiles.

Perhaps the best advantage of a Scotch Club membership is the chance to savor whiskies that represent the best houses of Scotland, some limited releases and some that are so sought-after by collectors that obtaining them require serious connections. We enjoy personal relationships with several of these distributors, and in many occasions, the owners themselves educate our guests on behalf of their brands.

With a \$20 initiation fee, members receive a coin designed to identify their membership and provide access to these featured whiskies. Guests are entered in the club's email database, and are periodically alerted of events, prize giveaways, and exclusive multi-course dinners with Scotch pairings at select dates.
